## Real-World Examples

Your Situation	Recommended Plan
"I'm studying in Florence for the semester. I'll take a weekend trip to Rome and maybe spring break in Greece."	Student Passport + add travel passes for the trips
"I'm studying in London but also traveling to Paris, Amsterdam, Berlin, and Ireland during breaks."	GSC Premium – the travel upgrades would add up quickly
"My program has field trips to three different countries."	GSC Premium – you'll need coverage outside your study city
"I'm staying in Barcelona for the full academic year and only leaving once."	Student Passport + one travel pass
